

# GENERAL SERVICES AND POLICIES

ST. ELIZABETH COLLEGE OF NURSING

## PARKING

All students are notified in writing by College Administration during the summer prior to the beginning of the fall semester regarding appropriate sites.

## WEATHER-RELATED EMERGENCIES

In snow and other weather-related emergencies, St. Elizabeth College of Nursing will remain open if at all possible to serve students and faculty who are able to get to class. The President will make the official decision on school closure. Students should use individual judgement in deciding whether they can and should travel in any snow emergency.

Except in extreme emergencies, College-closing information should be on the air by 6:00 a.m. of the day of closure. Students should contact the appropriate community college to determine if those institutions are closed at any time for inclement weather.
