Essential Skills and Abilities for Nursing Students, CNG-100.9

PURPOSE

A candidate for an Associate Degree in Nursing must have the abilities and skills necessary for use of the nursing process. A list of essential skills and abilities are provided so that potential students can decide whether or not they may be able to complete the requirements for the nursing program. In keeping with the Americans with Disabilities Act of 1990, applicants, who are unsure if they can perform these essential skills and abilities for nurses, or know that they will need help in meeting them, should contact the Dean of Student and Faculty Development who serves as the Disability Services Coordinator, at (315) 801-3034, to discuss the use of accommodations and/or auxiliary aids.
